

Colin and Coco's Deliberate Practice

Year 1 Unit 15

Measurement: Money

Answers

Contents

This pack of deliberate practice is designed to be used flexibly to secure the manageable steps of this unit.

The table below indicates which activities are linked to which manageable steps.

NOTE: Due to the nature of this unit, it is important children have plenty of practical experience with real coins, e.g. tip out a large bag of 1p, 2p, 5p and 10p coins and ask the children to sort the coins.

	Do It	Challenge It	Play It
Recognise and know the value of the 1p coin	1	1	1
Recognise and know the value of the 2p coin	1	1	1
Recognise and know the value of the 5p coin	2	1	1
Recognise and know the value of the 10p coin	2	1	1
Recognise and know the value of the 20p coin	2	2	2
Recognise and know the value of the 50p coin	2	2	2
Recognise and know the value of the £1 coin	2	2	2
Recognise and know the value of the £2 coin	2	2	2
Recognise and know the value of the £5 note	3	3	3
Recognise and know the value of the £10 note	3	3	3
Recognise and know the value of the £20 note	3	3	3

Tick all the 1p coins.
Circle all the 2p coins.

Do It 1

Coin Patterns

Challenge It 1

Using a bag of 1p, 2p, 5p and 10p coins, create:

- a repeating pattern of coins using two different coins
- a repeating pattern of coins using three different coins

Pick the Coin Game

Play It 1

You need:

Bag of 1p, 2p, 5p and 10p coins.

To play:

Player 1 randomly picks a coin.

Without removing it from the bag, they try to guess the coin by feeling it.

They pull the coin out of the bag and if they are correct, they keep the coin.

Player 2 has a turn.

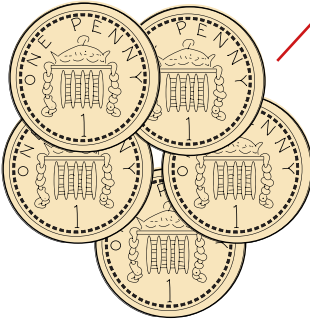

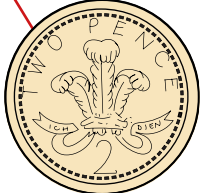

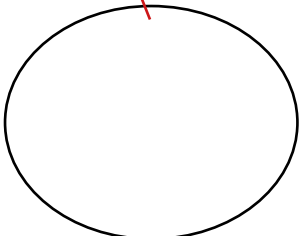

To win:

The winner is the player with the most coins after 5 goes.

Challenge It 2

Match the value to the coin or group of coins.
Find the missing value. Draw the missing coin.

	2p	
	5p	
	50p	
	10p	
	20p	
	£2	
	£1	
	1p	

Same Value Game

Play It 2

You need:

Bag of 10p coins.

Money cards

To play:

The cards are shuffled and placed face down.

Players take it in turns to randomly pick a card.

They collect the number of 10p coins equivalent to the amount on the card.

The card is replaced.

To win:

The winner is the first player to collect twenty 10p coins.

Do It 3

Sort a mixture of £5, £10 and £20 notes into piles.

Find the missing digits.

Complete each statement in several different ways

Challenge It 3

I have £5 notes so I have £

I have £10 notes so I have £

I have £20 notes so I have £

Same Value Game

Play It 3

You need:

Bag of £1 coins.

Money cards

To play:

The cards are shuffled and placed face down.

Players take it in turns to randomly pick a card.

They collect the number of £1 coins equivalent to the amount on the card.

The card is replaced.

To win:

The winner is the first player to collect twenty £1 coins.
