

Infant Music Bingo!

To play: 1) throw a dice or small object onto the paper 2) do the activity it lands on 3) tick or colour in the square when you have done it 4) can you complete all the tasks?!

Play "Don't clap this one back" with your family!	Stretch your body for 10 minutes to a piece of calm, relaxing music	Clap 4 different rhythms to your family- can they clap them back?	How many nursery rhymes can you sing in 1 minute? Get a grown up to count how many you can do and time you!
Make an instrument out of items in your house - look at the ideas attached for help.	Use chrome music lab and experiment with different musical sounds.	Create new rhythms using different parts of your body. Clap, Tap, Stamp to make sounds. - watch the body percussion clips for ideas.	Dance to some music of your choice and clap along to the beat.
Perform a song you have learnt at school to someone in your family- it could be a hymn, a song you've learned in class or in music with Mrs Mason.	Teach someone in your family your favourite song.	Listen to the music at the start of your favourite TV programme- can you describe how it sounds to someone in your family? Is it happy or sad? Lively or calm?	How many different musical instruments can you name? draw or write them down and talk about them with a grown up
Make a poster about music- it could be about singing or musical instruments or maybe your favourite song.	Watch a musical film and sing your favourite song from it.	Sing in the bath as loudly as you can! Sing the same song as quietly as you can!	Listen to different sounds in your garden or out of your window- draw the sounds you can hear.
