

Art Competition: 'It's a bug's life'

Do you like drawing, painting, colouring, decoupage, digital art?

Get creative and you have the chance of having your picture showcased at a new festival in Cheltenham, a ***Festival of Sustainability: From the Ground Up*** on Saturday 12th Feb 2022, with prizes for individuals too!

From the Ground Up recognises that the world of bugs, living in the ground, is very important, as all kinds of creatures help nature in lots of different ways. So 'draw' anything from the world of bugs that inspires or excites you, or that you think people need to look after. We have some amazing local artists and experts on the judging panel so do your best!

Create your picture on one side of A4 or A5 paper and enter the following details on the back so we can contact you if you win and to showcase your picture at the event* There are three age categories 4-7 (infants), 7—9 (juniors) and 10-11 (older juniors).

Child's full name:

Parent/Carer name:

Age:

Contact telephone number:

Parent/Carer email:

Please return your entry to your school by **19th November 2021** and we will collect it. Any questions please contact the event organisers on: art.ftgu@yahoo.com

We look forward to seeing your creations!

Tracy and Anna

From the Ground Up team

*Only first name, age and category will be displayed. All details will be kept confidential, not shared outside of the FTGU committee or judges and will not be used for any further marketing purposes, other than informing you of a winning entry and inviting you to attend to collect your prize.
