The Catholic School of St Gregory the Great

The Catholic School of St Gregory the Great is a Catholic school located in Cheltenham. At our school students can volunteer in roles such as School council/communication team, ECO team, Restorative Stars, Chaplaincy Team and many more. We accept everyone at St Gregory's and we celebrate the differences between us.

We want everyone to feel included:

- We give bagels to hungry children in the morning.
- Good play time equipment and play leaders.
- High quality lessons.
- Church nearby where we attend mass and other celebrations.
- Rewards for good behaviour
- Amazing school trips and residentials.
- Interventions if you find stuff tricky.
- A trim trail to help keep us healthy.
- An astro pitch that can be used throughout the year
- DT Room for woodwork and cooking.
